

*Street dramas prepare for open hearts
for the Word of God*

A captivated audience

service usually goes from 10am-1pm. After the meeting, we eat together and have classes from 2:30-5pm.

We have started our monthly evangelistic program called “Covered Court Church”. All throughout Agdao are city basketball courts with aluminum covers for the rain. We are using these courts for large evangelism

meetings. This is a good “net casting” time where we minister to the multitudes and see God move in power!

Another way we “cast the net” is through our monthly medical clinics. Once a month we have a clinic at our building, and also once a month we have a mobile medical clinic. God has provided all of the medicines, and we have local Filipino doctors and nurses who volunteer their time. We have been able to minister to people spirit, soul & body!

Prayer Requests:

- “Encounter Retreat”- We are having 5 days of fasting and prayer for our encounter weekend retreat. Pray for great spiritual breakthroughs such as salvations, deliverances, healings, etc at this 3-day retreat!
- *Pray for Zyrell...saved out of homosexual prostitution. He has been struggling lately...Please keep him in prayer.
- *Pray for those needing surgeries. There are some who need desperate healing and/or surgery.
- *Pray for our family. We have been so busy that we are really looking forward to some time of rest in March or April.

We are planning on coming back to the USA either the last part of August or the early part of Sept. We plan on staying through Christmas this year, our first Christmas in 3 years! We need to raise close to \$7000 for our one-way airline tickets. If the Lord would prompt you to help us in this area that would be a great blessing.

Thank you and God bless you! Let us know how we can pray for you!
