

every day unable to move. Presently, we are looking for a new home for her to rent near our church building. When we visited her, Fernanda just cried amazed that God heard her. Please help us to help her. If one person can give just \$120 a month we can get Fernanda into a new home and into a better life. Please specify on your check "Project Agdao".

*Ministering to Ms. Fernanda in her home*

**Jomar starts high school!** You might remember Jomar, saved out of homosexual prostitution, whose parents (both) have died and left this boy with no family. Casey started to homeschool Jomar just a few days ago because he was too far behind to start the high school. He is 19 and tested at 2<sup>nd</sup> grade. (Olivia has started prep courses for the mothers who wanted to finish high school. The high school is becoming a great tool for equipping many in our community!) Please pray for Jomar, especially, that he will be able to catch up in the next few months before we have to leave for the States.

### Cell leaders reports

**Definition of a Cell group:** A group of people (5 to 15) who meet regularly for the purpose of spiritual edification and evangelistic outreach (with the goal of multiplication) and who are committed to participate in the functions of the local church.

**Olivia, who leads a women/ mothers cell group, writes:** It is a step of faith for Che-Che to close her store on Sundays. She has been praying that her husband will find a permanent job, and God faithfully answered her prayers! Now, she can go to church and the school of leaders to be trained as a cell group leader!

**Peter, who leads a men's cell group, writes:** This week's cell meeting was the best yet! As soon as we began worshipping, God came. We worshipped with all our hearts. Also, Ivan was filled with the Holy Spirit!

**Maricel, who leads two children's cell groups, writes:**

Yey!!! We won! We transferred to a new house! We have one sack of rice! Praise God for the blessings! Please pray for our children's classes as they start this week.

### **Present financial needs:**

We have our international airline tickets paid for! Presently we need our one-way plane tickets from Davao to Manila, which are around \$800.

**We plan on coming back to the USA the first week of September. We will be staying through Christmas this year, our first Christmas in the USA in 3 years!!! Our schedule is filling up quickly! If you or your church would like to meet with us and/or have us share what the Lord has been doing in the Philippines, please contact us now so we can schedule that time together!**
